

Silent Basket Auction

Introducing Kalo

The Jefferson County Sheriff's Office is seeking the public's assistance for donations in order to expand their K9 Program. JCHC will be holding a silent basket auction in an effort to assist with the purchase of Kalo as well as the costs for a 5-week training course for Kalo's handler, Deputy Almon. The Sheriff's Office reports they are close in reaching their goal! Let's help them finish their goal & help keep our community safe!
