INDEPENDENT AUDITOR'S REPORT

The Board of Trustees Jefferson County Hospital d/b/a Jefferson County Health Center Fairfield, Iowa

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Jefferson County Hospital d/b/a Jefferson County Health Center, as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Health Center's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jefferson County Hospital d/b/a Jefferson County Health Center, as of June 30, 2023 and 2022, and the changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Jefferson County Hospital d/b/a Jefferson County Health Center, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Change in Accounting Principle

As discussed in the notes to the financial statements, in 2023 the Health Center adopted new accounting guidance, GASB Number 96, *Subscription Based Information Technology Agreements*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jefferson County Hospital d/b/a Jefferson County Health Center's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jefferson County Hospital d/b/a Jefferson County Health Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jefferson County Hospital d/b/a Jefferson County Health Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Required Supplementary Information as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Jefferson County Hospital d/b/a Jefferson County Health Center's basic financial statements. The Other Supplementary Information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Other Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the Other Information as listed in the table of contents included in the annual report. The Other Information comprises the comparative statistics, utilization and other information but does not include the basic financial statements and our auditor's report thereon. Our opinion on the basic financial statements does not cover the Other Information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the Other Information and consider whether a material inconsistency exists between the Other Information and the basic financial statements, or the Other Information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the Other Information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 21, 2023 on our consideration of Jefferson County Hospital d/b/a Jefferson County Health Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Jefferson County Hospital d/b/a Jefferson County Health Center's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of Jefferson County Health Center, we offer readers of the financial statements this narrative overview and analysis of the Health Center's financial performance during the fiscal years ended June 30, 2023, 2022 and 2021. Please read it in conjunction with the Health Center's financial statements, which follow this section.

Overview of the Financial Statements

This annual report includes this management's discussion and analysis, the independent auditor's reports, the basic financial statements of the Health Center, and supplementary information. The financial statements also include notes that explain in more detail some of the information in the financial statements.

Required Financial Statements

The financial statements of the Health Center report information of the Health Center using accounting methods similar to those used by private sector companies. These statements offer short and long-term financial information about its activities. The statement of financial position includes the Health Center's assets, liabilities, deferred outflows and deferred inflows and provides information about the nature and amounts of investments in resources, assets, and the obligations to Health Center's creditors. It also provides the basis for evaluating the capital structure of the Health Center and assessing the liquidity and financial flexibility of the Health Center.

All of the current year's revenues and expenses are accounted for in the statement of revenues, expenses, and changes in net position. This statement measures the success of the Health Center operations over the past year and can be used to determine whether the Health Center has successfully recovered all its costs through its patient service revenue and other revenue sources, profitability and credit worthiness.

The final required financial statement is the statement of cash flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, noncapital financing, capital and related financing and investing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Financial Highlights

	2023	2022 Restated	Increase <u>(Decrease)</u>
Total assets	\$57,538,079	\$61,765,864	\$(4,227,785)

Total operating expenses	59,251,131	58,150,604	1,100,527

Financial Analysis of the Health Center

The statements of net position and the statements of revenues, expenses, and changes in net position report the net position of the Health Center and the changes in them. The Health Center's net position is a way to measure financial health or financial position. Over time, sustained increases or decreases in the Health Center's net position are one indicator of whether its financial health is improving or deteriorating. However, other nonfinancial factors such as changes in economic conditions, population growth and new or changed government legislation should also be considered.

A summary of the Health Center's statements of net position is presented below:

Increase in property and equipment, gross	\$ <u>2,372,894</u>	\$ <u>3,682,062</u>	\$ <u>1,753,254</u>

Debt Administration

The changes in long-term debt for 2023, 2022 and 2021 are shown below. More detailed information about the Health Center's outstanding debt is presented in the Notes to Financial Statements.

Long-term Debt	Year ended June 30		
	2023	2022	2021
Beginning balance Additions	\$16,785,660 25.000	\$19,338,522 409.600	\$22,251,062 _
Principal payments	<u>(2,953,416</u>)	(2,962,462)	<u>(2,912,540</u>)
Ending balance	\$ <u>13,857,244</u>	\$ <u>16,785,660</u>	\$ <u>19,338,522</u>
Long-term debt as a percentage of total liabilities	43%	67%	47%

Performance Compared to County Hospital Budget

The Health Center prepares its annual County Hospital budget on the budget basis, which differs from generally accepted accounting principles, GAAP basis. More detailed information as to major differences between County Hospital budget and GAAP bases are presented in the Notes to Financial Statements. A comparison of the Health Center's fiscal year 2023 actual budget basis financial information to its annual County Hospital budget is presented below:

Annual

Actual vs Budget

	Actual budget basis	County Hospital budget	Variance
Amount to be raised by taxation	\$ 899,455	\$ 876,180	\$ 23,275
Other revenues/receipts	<u>59,351,010</u>	<u>66,621,301</u>	(<u>7,270,291</u>)
	60,250,465	67,497,481	(7,247,016)
Expenses/expenditures	<u>61,399,828</u>	<u>66,762,500</u>	(<u>5,362,672</u>)
Net	\$ <u>(1,149,363</u>)	\$ <u>734,981</u>	\$(<u>1,884,344</u>)

Economic and Other Factors and Next Year's Budget

The Health Center's board and management considered many factors when setting the fiscal year 2024 budget. Of primary importance are the market forces and environmental factors impacting healthcare such as:

- Medicare and Medicaid reimbursement rates
- Reimbursement rates of other payors
- Cost of supplies
- Facility expansion and growth in demand for services
- Technology advancements

Contacting Health Center's Management

This financial report is designed to provide users with a general overview of the Health Center's finances and to demonstrate the Health Center's accountability. If you have questions about this report or need additional information, contact the finance department at Jefferson County Health Center; 2000 S. Main; Fairfield, Iowa 52556. Phone number 641-472-4111.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

The Health Center is a county public hospital organized under Chapter 347, Code of Iowa, not subject to taxes on income or property, and receives tax support from Jefferson County, which is governed by a seven member Board of Trustees.

Reporting Entity

For financial reporting purposes, Jefferson County Hospital d/b/a Jefferson County Health Center has included all funds, organizations, agencies, boards, commissions and authorities that are not legally separate. The Health Center has also considered all potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the Health Center are such that exclusion would cause the Health Center's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the Health Center to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the Health Center. These criteria also include organizations that are fiscally dependent on the Health Center. Jefferson County Health Center has no material component units which meet the Governmental Accounting Standards Board criteria.

Measurement Focus and Basis of Accounting

The Health Center is accounted for on the flow of economic resources measurement focus. The fundamental objective of this focus is to measure whether the Health Center is better or worse off economically as a result of events and transactions of the period.

The financial statements have been prepared in accordance with accounting principles which are applicable to health care proprietary funds of a governmental entity. The Health Center uses the accrual basis of accounting. Under this basis, revenues are recorded when earned and expenses are recorded when incurred, even though actual payment or receipt may not occur until after the period ends.

Accounting Standards

The Health Center has elected to apply all applicable Governmental Accounting Standards Board (GASB) pronouncements.

Cash and Cash Equivalents

Cash and cash equivalents include money market funds and certificates of deposit.

Inventories

Inventories are stated at cost, based on the first-in, first-out method.

Property Tax Receivable

Property tax receivable is recognized on the levy or lien date, which is the date that the tax asking is certified by the County Board of Supervisors. The succeeding year property tax receivable represents taxes certified by the Board of Supervisors to be collected in the next fiscal year for the purposes set out in the budget for the next fiscal year. By statute, the Board of Supervisors is required to certify the budget in March of each year for the subsequent fiscal year. However, by statute, the tax asking and budget certification for the following fiscal year becomes effective on the first day of that year. Although the succeeding year property tax receivable has been recorded, the related revenue is deferred and will not be recognized as revenue until the year for which it is levied.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (continued)

Capital Assets

Capital asset acquisitions are recorded at cost. Capital assets donated for Health Center operations are recorded at fair value at the date of receipt. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method using these asset lives:

Land improvements	5 to 25 years
Buildings	5 to 40 years
Equipment	3 to 20 years

Capital assets include right-of-use assets acquired through leasing and IT subscription agreements. The right-of-use assets are initially measured at an amount equal to the initial measurement of the related liability plus payments made prior to the agreement term, less incentives, and plus ancillary charges necessary to place the assets into service. The right-of-use assets are depreciated on a straight-line basis over the life of the agreements.

Acquired Intangible Assets, Net

Intangible assets acquired in connection with the purchase of a medical clinic are being amortized over a ten year period using the straight-line basis.

Investment to Joint Ventures

Investments in certain partnerships are accounted for using the equity method under which the net income of the partnerships is recognized as investment income and added to the investment account.

Pensions

For purposes of measuring the net pension asset/liability, deferred outflows of resources and deferred inflows of resources related to pensions and pension income/expense, information about the fiduciary net position of the Iowa Public Employees' Retirement System (IPERS) and additions to/deductions from IPERS' fiduciary net position have been determined on the same basis as they are reported by IPERS. For this purpose, benefit payments, including refunds of employee contributions, are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

OPEB Liability

For purposes of measuring the OPEB liability, deferred outflows and inflows of resources related to OPEB and OPEB expense, information has been determined based on the Health Center's actuary report. For this purpose, benefit payments are recognized when due and payable in accordance with the benefit terms.

Deferred Outflows of Resources

Deferred outflows of resources represent a consumption of net position that applies to a future period(s) and will not be recognized as an outflow of resources (expense) until then. Deferred outflows of resources consist of unrecognized items not yet charged to OPEB expense, pension income/expense and contributions from the employer after the measurement date but before the end of the employer's reporting period.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (continued)

Deferred Inflows of Resources

Deferred inflows of resources represent an acquisition of net position that applies to a future period(s) and will not be recognized as an inflow of resources (revenue) until that time. Deferred inflows of resources in the statement of net position consists of succeeding year property tax receivable that will not be recognized as revenue until the year for which it is levied and the unamortized portion of items related to the Health Center's pension plan and OPEB.

Net Position

Net position is presented in the following components:

Net investment in capital assets

Net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of long-term liabilities that are attributable to the acquisition, construction, or improvement of those assets.

Restricted

Restricted net position consists of funds on which constraints have been externally imposed by creditors (such as through debt covenants) grantors or contributors, or laws or regulations of other governments.

Unrestricted

Unrestricted net position has no externally imposed restrictions on use.

When both restricted and unrestricted net position are available for use, generally it is the Health Center's policy to use restricted net position first.

Charity Care

The Health Center provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Health Center does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue.

Net Patient Service Revenue

Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Revenues, Expenses, and Changes in Net Position

For purposes of display, transactions deemed by management to be ongoing, major, or central to the provision of health care services are reported as operating revenues and expenses. Revenues and expenses reported as nonoperating include county tax revenues and other subsidies, interest income and expense, equity in income of joint venture investments, gain or loss on sale of assets and contributions.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (continued)

Costs of Borrowing

Costs of borrowing are expensed in the year incurred.

Credit Policy

The Health Center grants credit to patients, substantially all of whom are county residents.

Accounting Estimates and Assumptions

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

NOTE 2 CASH AND INVESTMENTS

The Health Center's deposits in banks at June 30, 2023 were covered by federal depository insurance, or the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This Chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Health Center is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Board of Trustees; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The primary objectives of the Health Center's investment policy include the safety and preservation of principal in the overall investment portfolio, the maintenance of necessary liquidity to match expected liabilities, and obtaining a reasonable return. Funds not identified as operating funds may be invested in investments with maturities longer than three hundred ninety-seven days, provided that the maturities shall be consistent with the needs and use of the Health Center.

NOTE 3 PATIENT RECEIVABLES

Patient accounts receivable reported as current assets consisted of these amounts:

	June 30		
	2023	2022	
Receivable from patients	\$ 1,572,296	\$ 1,852,325	
Receivable from insurance carriers	3,573,479	2,852,708	
Receivable from Medicare	6,268,208	5,381,633	
Receivable from Medicaid	<u>1,094,528</u>	1,154,485	
Total patient receivables	12,508,511	11,241,151	
Less allowances for contractual and other adjustments	(4,970,000)	<u>(4,380,000</u>)	
Totals	\$ <u>7,538,511</u>	\$ <u>6,861,151</u>	

NOTE 4 ASSETS RESTRICTED BY BOND INDENTURE AGREEMENT

Assets restricted by the bond indenture agreement include funds that are required to be funded under the terms of the agreement. The current agreement requires the maintenance of a Bond Sinking Fund. There are provisions outlined in the agreement regarding deposit requirements in the various funds. Following are the changes in these funds for the years ended June 30, 2023 and 2022:

	Year ended June 30		
	2023	2022

luna 20

Jefferson County Hospital Revenue Refunding Bonds, Series 2016B

The Health Center issued Jefferson County Hospital Revenue Refunding Bonds, Series 2016B dated August 1, 2016. The bonds mature serially through August 2028. Interest is payable February 1st, and August 1st, each year at the annual rate of 3%. The bonds are callable at the option of the Health Center at par plus accrued interest.

Jefferson County Hospital Revenue Bonds, Series 2017

The Health Center issued Jefferson County Hospital Revenues Bonds, Series 2017 dated January 3, 2017. The bonds mature serially through August 2023. Interest is payable on February 1st and August 1st at an annual rate of 2.8%. The Bonds are subject to early redemption.

Notes Payable Equipment

The Health Center has notes payable to finance equipment. The notes are payable in monthly installments through March 2027. Interest on the notes ranges from 2.7% to 3.9%. The notes are collateralized by the equipment purchased.

As to the above Hospital Revenue Bonds, the Health Center has pledged all future revenue to pay the principal and interest. The Bonds were issued to finance capital improvements of the Health Center and to provide financing for the constructing and equipping of a replacement Health Center. The revenues are pledged through August 2028. The remaining principal and interest on the obligations as of June 30, 2023 is approximately \$14,750,000 based on the payment schedules as of June 30, 2023. The following is a comparison of the pledged revenues and the principal and interest requirements of the Bonds for the years ended June 30, 2023 and 2022:

	<u>Year ended June 30</u>		
	2023	2022	
		Restated

NOTE 6 LONG TERM DEBT, LEASE LIABILITY AND IT SUBSCRIPTION LIABILITY (continued)

Lease Liability and IT Subscription Liability

The Health Center has entered into agreements to lease certain equipment and information technology. The terms of the agreements qualify as other than short-term and, therefore, have been recorded at the present value of the future minimum payments as of the date of their inception.

A summary of changes in these liabilities for the year ended June 30, 2023 is as follows:

	Beginning balance	Additions	Principal payments	Ending balance
Lease liability IT subscription liability	\$ 453,122 149,762	\$ 491,235 <u>521,183</u>	\$ 99,776 <u>202,631</u>	\$ 844,581 <u>468,314</u>
Totals	\$ <u>602,884</u>	\$ <u>1,012,418</u>	\$ <u>302,407</u>	\$ <u>1,312,895</u>

A summary of changes in these liabilities for the year ended June 30, 2022 is as follows:

	Beginning balance	Additions	Principal payments	Ending balance
Lease liability IT subscription liability	\$	\$ 536,900 <u>190,555</u>	\$ 83,778 <u>40,793</u>	\$ 453,122 149,762
Totals	\$	\$ <u>727,455</u>	\$ <u>124,571</u>	\$ <u>602,884</u>

The future lease and subscription payments under these agreements as of June 30, 2023, were as follows:

	Le	ease agreeme	nts	IT subso	cription agree	ements
Year ending June 30	Principal	Interest	Total	Principal	Interest	Total
2024	\$ 172,876	\$ 26,732	\$ 199,608	\$ 196,127	\$ 16,218	\$ 212,345

NOTE 7 NET PATIENT SERVICE REVENUE

The Health Center has agreements with third-party payors that provide for payments to the Health Center at amounts different from its established rates. A summary of the payment arrangements with major third-party payors follows.

Medicare and Medicaid

The Health Center is designated as a Critical Access Hospital. As a Critical Access Hospital, most services related to Medicare beneficiaries are paid based on a cost reimbursement methodology. The Health Center is reimbursed for cost reimbursable items at a tentative rate with final settlement determined after submission of annual cost reports by the Health Center and audits thereof by the fiscal intermediary. The Iowa Medicaid Program has transitioned management of the program to managed care organizations. As a result, the Health Center is reimbursed using rates which are prospectively set by contracts with managed care organizations and is no longer subject to a final settlement based on actual costs incurred. The Health Center's classification of patients under the programs and the appropriateness of their admission are subject to an independent review by a peer review organization. The Health Center's Medicare cost reports have been audited by the Medicare fiscal intermediary through the year ended June 30, 2021.

Other

The Health Center has also entered into payment agreements with Wellmark and other certain commercial insurance carriers and preferred provider organizations. The basis for payment to the Health Center under these agreements includes prospectively determined rates per discharge and discounts from established charges.

NOTE 8 CHARITY CARE

The Health Center maintains records to identify and monitor the level of charity care it provides. These records include the amount of charges foregone for services and supplies furnished under its charity care policy and equivalent service statistics. The following information measures the level of charity care provided during the years ended June 30, 2023 and 2022.

	2023	2022
Charges foregone, based on established rates	<u>\$ 531,487</u>	\$ <u>459,632</u>

NOTE 9 PENSION PLAN

Plan Description

IPERS is a cost-sharing multiple employer defined benefit pension plan administered by Iowa Public Employees' Retirement System. Membership is mandatory for employees of the Health Center, except for those covered by another retirement system. IPERS issues a stand-along financial report which is available to the public by mail at P.O. Box 9117, Des Moines, Iowa 50306-9117 or at www.ipers.org.

IPERS benefits are established under Iowa Code Chapter 97B and the administrative rules thereunder. Chapter 97B and the administrative rules are the official plan documents. The following brief description is provided for general informational purposes only. Refer to the plan documents for more information.

NOTE 9 PENSION PLAN (continued)

Pension Benefits

A regular member may retire at normal retirement age and receive monthly benefits without an early-retirement reduction. Normal retirement age is age 65, any time after reaching age 62 with 20 or more years of covered employment, or when the member's years of service plus the member's age at the last birthday equals or exceeds 88, whichever comes first. (These qualifications must be met on the member's first month of entitlement to benefits.) Members cannot begin receiving retirement benefits before age 55. The formula used to calculate a Regular member's monthly IPERS benefit includes:

- A multiplier (based on years of service).
- The member's highest five-year average salary. (For members with service before June 30, 2012, the highest three-year average salary as of that date will be used if it is greater than the highest five-year average salary.)

Protection occupation members may retire at normal retirement age which is generally at age 55. Protection occupation members may retire any time after reaching age 50 with 22 or more years of covered employment. The formula used to calculate a protection occupation member's monthly IPERS' benefit includes:

- 60% of average salary after completion of 22 years of service, plus an additional 1.5% of average salary for years of service greater than 22 but not more than 30 years of service.
- The member's highest three-year average salary.

If a member retires before normal retirement age, the member's monthly retirement benefit will be permanently reduced by an early-retirement reduction. The early-retirement reduction is calculated differently for service earned before and after July 1, 2012. For service earned before July 1, 2012, the reduction is 0.25 percent for each month that the member receives benefits before the member's earliest normal retirement age. For service earned starting July 1, 2012, the reduction is 0.50 percent for each month that the member receives benefits before age 65.

Generally, once a member selects a benefit option, a monthly benefit is calculated and remains the same for the rest of the member's lifetime. However, to combat the effects of inflation, retirees who began receiving benefits prior to July 1990 receive a guaranteed dividend with their regular November benefit payments.

Disability and Death Benefits

A vested member who is awarded federal Social Security disability or Railroad Retirement disability benefits is eligible to claim IPERS benefits regardless of age. Disability benefits are not reduced for early retirement. If a member dies before retirement, the member's beneficiary will receive a lifetime annuity or a lump-sum payment equal to the present actuarial value of the member's accrued benefit or calculated with a set formula, whichever is greater. When a member dies after retirement, death benefits depend on the benefit option the member selected at retirement.

Contributions

Contribution rates are established by IPERS following the annual actuarial valuation, which applies IPERS' Contribution Rate Funding Policy and Actuarial Amortization Method. Statute limits the amount rates can increase or decrease each year to 1 percentage point. IPERS Contribution Rate Funding Policy requires that the actuarial contribution rate be determined using the "entry age normal" actuarial cost method and the actuarial assumptions and methods approved by the IPERS Investment Board. The actuarial contribution rate covers normal cost plus the unfunded actuarial liability payment based on a 30-year amortization period. The payment to amortize the unfunded actuarial liability is determined as a level percentage of payroll, based on the Actuarial Amortization Method adopted by the Investment Board.

NOTE 9 PENSION PLAN (continued)

Contribution rates, as a percentage of covered wages, were as follows for the years ended June 30, 2023 and 2022.

	Regular M	Regular Members	
	2023	2022	
Member contribution rate	6.29%	6.29%	
Hospital contribution rate	<u>9.44</u> %	<u>9.44</u> %	
Total contribution rate	<u>15.73</u> %	<u>15.73</u> %	

The Health Center's contributions to IPERS for the years ended June 30, 2023 and 2022 were \$2,136,470 and \$2,088,595, respectively.

Net Pension Assets/Liabilities, Pension Income/Expense, and Deferred Outflows of Resources and Inflows of Resources Related to Pensions

At June 30, 2023 and 2022, the Health Center reported a net pension liability of \$10,299,682 and \$329,788, respectively, for its proportionate share of the net pension asset/liability. The Health Center net pension asset/liability was measured as of June 30, 2022 and 2021, and the total pension asset/liability used to calculate the net pension asset/liability was determined by an actuarial valuation as of those dates. The Health Center's proportion of the net pension asset/liability was based on the Health Center's share of contributions to the pension plan relative to the contributions of all IPERS participating employers. The following table summarizes the change in the Health Center's proportionate share:

	Measurement Date June 30		
	2022	2021	<u>Change</u>
Health Center's proportionate share	0.272612% (0.095528)%	0.368140%

For the years ended June 30, 2023 and 2022, the Health Center recognized pension (income) expense of \$452,835 and \$(555,906), respectively. At June 30, 2023 and 2022, the Health Center reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Pension Related Deferred			
	Outflows o	f Resources	Inflows of I	Resources
	2023	2022	2023	2022
Difference between expected and actual experience Change in assumptions	\$ 457,282 8,741	\$ 250,923 215,709	\$ 141,110 629	\$ 251,941 _
Net difference between projected and actual earnings on pension plan investments Change in proportion and difference between Health Center contributions and proportionate share	-	-	1,103,150	11,948,760
of contributions Health Center contributions subsequent to the	1,566,413	963,059	73,029	120,126
measurement date	<u>2,136,470</u>	<u>2,088,595</u>		
Totals	\$ <u>4,168,906</u>	\$ <u>3,518,286</u>	\$ <u>1,317,918</u>	\$ <u>12,320,827</u>

NOTE 9 PENSION PLAN (continued)

\$2,136,470 reported as deferred outflows of resources related to pensions resulting from the Health Center contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension (income) expense as follows:

Year ending June 30,

2024	\$ (582,361)
2025	(366,449)
2026	(974,460)
2027	2,523,824
2028	113,964
Totals	\$ <u>714,518</u>

There were no non-employer contributing entities at IPERS.

Actuarial Assumptions

The total pension asset in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Rate of inflation	2.60% per annum
Salary increases	3.25% to 16.25% average, including inflation
Long-term investment rate of return	7% compounded annually, net of investment expense, including inflation
Wage Growth Rate	3.25% per annum, based on 2.6% inflation and 0.65% real wage inflation

The actuarial assumptions used in the June 30, 2022 valuation were based on the results of a quadrennial experience study covering the period of July 1, 2017 through June 30, 2021.

Mortality rates used in the 2022 valuation were based on the PubG-2010 mortality tables with future mortality improvements modeled using Scale MP-2021.

NOTE 9 PENSION PLAN (continued)

The long-term expected rate of return on IPERS' investments was determined using a building-block method in which best-estimate ranges of expected future real rates (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The most recent target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Asset <u>Allocation</u>	Long-Term Expected Real Rate of Return
Domestic equity	22.0%	3.6%
International equity	17.5	4.8
Global smart beta equity	6.0	4.2
Core-plus fixed income	20.0	1.7
Private credit	4.0	3.8
Cash	1.0	0.8
Private equity	13.0	7.6
Private real assets	8.5	3.6
Private credit	8.0	3.6
Total	<u>100.0</u> %	

Discount Rate

The discount rate used to measure the total pension asset/liability was 7 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the contractually required rate and that contributions from the Health Center will be made at contractually required rates, actuarially determined. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension asset/liability.

Sensitivity of the Health Center's Proportionate Share of the Net Pension Asset/Liability to Changes in the Discount Rate

The following presents the Health Center's proportionate share of the net pension asset/liability calculated using the current discount rate of 7 percent, as well as what the Health Center's proportionate share of the net pension asset/liability would be if it were calculated using a discount rate that is 1-percentage-point lower or higher than the current rate.

	1% _Decrease	Current Discount Rate	1% Increase
Health Center's proportionate share of the net pension (asset) liability	\$ <u>19,193,820</u>	\$ <u>10,299,682</u>	\$ <u>2,461,515</u>

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued IPERS financial report which is available on IPERS' website at www.ipers.org.

NOTE 9 PENSION PLAN (continued)

Payables to the Pension Plan

At June 30, 2023 and 2022, the Health Center reported payables to the defined benefit pension plan of approximately \$388,000 and \$125,000, respectively, for legally required employer contributions and employee contributions which had been withheld from employee wages but not yet remitted to IPERS.

NOTE 10 CONTINGENCIES

The Health Center is insured by a claims-made policy for protection against liability claims resulting from professional services provided or which should have been provided. Coverage limits are up to \$3,000,000 per claim and up to \$5,000,000 in the aggregate, with umbrella coverage up to \$10,000,000.

The Health Center is from time to time subject to claims and suits alleging malpractice. In the opinion of management, the ultimate cost, if any, related to the resolution of such pending legal proceedings will be within the limits of insurance coverage and, accordingly, will not have a significant effect on the financial position or the results of operations of the Health Center.

Incidents occurring through June 30, 2023 may result in the assertion of additional claims. Other claims may be asserted arising from services provided to patients in the past. Management is unable to estimate the ultimate cost, if any, of the resolution of such potential claims and, accordingly, no accrual has been made for them; however, management believes that these claims, if asserted, would be settled within the limits of insurance coverage.

NOTE 11 EMPLOYEE BENEFITS

The Health Center has developed a self-insured health insurance program for all employees. Claims for health care services for employees and their families are accrued when incurred. The plan contains a stop-loss provision which limits the amount of claims paid by the plan to \$65,000 per person, with an aggregate stop-loss provision for the plan as a whole equal to 125% of total expected claims. Total expense, which includes claims, administration fees, and stop-loss insurance, under this self-insurance program for the years ended June 30, 2023 and 2022 was approximately \$2,358,000 and \$2,680,000, respectively.

NOTE 12 HEALTH CENTER RISK MANAGEMENT

The Health Center is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by commercial insurance purchased from independent third parties. The Health Center assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage for the past three years.

NOTE 13 ROBERT A. RYAN, M.D. ENDOWED SCHOLARSHIP FUND

This fund was established through a donation received from Robert A. Ryan, M.D. The investment is to be maintained in perpetuity and the income only to be used for a nursing scholarship for a member of the senior class graduating from Fairfield High School, Fairfield, Iowa or from another high school in the area. At June 30, 2023 and 2022, the balance of the fund was \$83,209 and \$77,439, respectively.

NOTE 14 CLINKINBEARD EDUCATION FUND

This fund was established through a donation and is to be used for employees furthering their education. As of June 30, 2023 and 2022, the balance of the fund was \$271,546 and \$253,045, respectively.

NOTE 15 INVESTMENT IN JOINT VENTURES

The Health Center has varying interests in several joint ventures engaged in providing various health care services. The investments are accounted for using the equity method. The Health Center has recorded its share of the joint ventures' income of \$483,835 in 2023 and \$524,561 in 2022.

NOTE 16 OTHER POST EMPLOYMENT BENEFITS (OPEB)

Plan Description

The Health Center administers a single-employer benefit plan which provides medical and prescription drug benefits for employees, retirees and their spouses. Group insurance benefits are established under Iowa Code Chapter 509A.13. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75.

OPEB Benefits

Individuals who are employed by the Health Center and are eligible to participate in the group health plan are eligible to continue healthcare benefits upon retirement. Retirees pay the same premium for the medical and prescription drug benefits as active employees, which results in an implicit rate subsidy and an OPEB liability.

Retired participants must be age 55 or older at retirement. At June 30, 2023, the following employees were covered by the benefit terms.

Inactive employees or beneficiaries currently receiving benefit payments	0
Active employees	0
Total	231

Net OPEB Liability

The Health Center's Net OPEB liability of \$171,705 and \$155,908 was measured as of June 30, 2023 and 2022, respectively, and was determined by an actuarial valuation as of July 1, 2022.

Actuarial Assumptions

The Net OPEB liability as of June 30, 2023 was determined using the following actuarial assumptions and the entry age normal actuarial cost method, applied to all periods included in the measurement.

Rate of inflation	2.60% per year
Rates of salary increase	3.25% per year plus merit increases
Discount rate	4.13% per annum
Healthcare cost trend rate	7.0% decreasing by .5% per year to an ultimate rate of 4.5%.

The discount rate used to measure the Net OPEB liability was 4.13% which reflects the index rate for 20-year taxexempt general obligation municipal bonds with an average rating of AA/Aa or higher as of the measurement date.

NOTE 16 OTHER POST EMPLOYMENT BENEFITS (OPEB) (continued)

Changes in Net OPEB Liability

č	Year ended June 30		
	2023	2022	
Net OPEB liability, beginning of year Changes for the year	\$ 155,908	\$ 175,396

Differences between expected and actual experience	(9,129)	(36,052)	
Changes in assumptions or other inputs Benefit payments	(479)	(8,935)	
Net OPEB liability, end of year	\$ <u>171,705</u>	\$ <u>155,908</u>	

Changes in assumptions or other inputs for the year ended June 30, 2023 includes a change in the discount rate from 4.09% in fiscal year 2022 to 4.13% in fiscal year 2023.

Sensitivity of the Health Center's Net OPEB Liability to Changes in the Discount Rate

The following presents the Net OPEB liability of the Health Center, as well as what the Health Center's Net OPEB liability would be if it were calculated using a discount rate that is 1% lower or higher than the current discount rate.

	1%	Current Discount	1%	
	Decrease	<u>Rate</u>	Increase	
Health Center's Net OPEB liability	\$ <u>183,855</u>	\$ <u>171,705</u>	\$ <u>159,948</u>	

Sensitivity of the Health Center's Net OPEB Liability to Changes in the Healthcare Cost Trend Rates

The following presents the Net OPEB liability of the Health Center, as well as what the Health Center's Net OPEB liability would be if it were calculated using healthcare cost trend rates that are 1% lower or higher than the current healthcare cost trend rates.

	Current		
	1% Decrease	Trend Rates	1% Increase
Health Center's Net OPEB liability	\$ <u>149,244</u>	\$ <u>171,705</u>	\$ <u>198,838</u>

NOTE 16 OTHER POST EMPLOYMENT BENEFITS (OPEB) (continued)

OPEB Expense and Deferred Outflows and Inflows of Resources

For the years ended June 30, 2023 and 2022, the Health Center recognized OPEB expense of \$18,986 and \$20,041, respectively. At June 30, 2023 and 2022, the Health Center reported deferred outflows and inflows of resources related to OPEB from the following sources:

	OPEB Related Deferred			
	Outflows of Resources Inflows of Res		f Resources	
	2023	2022	2023	2022
Differences between expected and actual experience Changes in assumptions or other inputs	\$ _ <u>11,855</u>	\$	\$ 53,441 7,578	\$ 51,958 <u> 8,041</u>
Totals	\$ <u>11,855</u>	\$ <u>14,024</u>	\$ <u>61,019</u>	\$ <u>59,999</u>

The amount reported as deferred outflows and inflows of resources related to OPEB will be recognized net of OPEB (income) expense as follows:

Year ending June 30,

2024	\$ (6,419)
2025	(6,419)
2026	(6,419)
2027	(6,419)
2028	(6,413)
Thereafter	(17,075)
Totals	\$ <u>(49,164</u>)

NOTE 17 TAX ABATEMENTS

The City of Fairfield, Iowa has entered into certain tax abatement agreements to encourage urban renewal projects in designated areas. As a result, property tax revenues available to the Health Center were reduced by approximately \$5,800 and \$5,900 for the years ended June 30, 2023 and 2022, respectively, under the agreements entered into by the City.

NOTE 18 OTHER RECEIVABLES

The Health Center has recorded as other receivables amounts loaned to physicians. The loans are collateralized by insurance loan agreements on insurance policies owned by the physicians where the Health Center has been assigned an interest by an instrument of assignment filed with an insurance company. The loans will be repaid by proceeds of the life insurance policies in a future period which cannot be determined as of June 30, 2023.

NOTE 19 CHANGE IN ACCOUNTING PRINCIPLE

The Health Center adopted the provisions of GASB Statement No. 96, *Subscription-Based Information Technology Arrangements* (SBITAs). The objective of this statement is to better meet the information needs of financial statement users by establishing uniform accounting and financial reporting requirements for SBITAs, improving the comparability of financial statements among governments that have entered into SBITAs, and enhancing the understandability, reliability relevance, and consistency of information about SBITAs. As a result, the 2022 financial statements were restated. There was no effect on beginning net position.

Required Supplementary Information

Jefferson County Hospital d/b/a Jefferson County Health Center BUDGETARY COMPARISON SCHEDULE OF REVENUES, EXPENSES AND CHANGES IN NET POSITION, BUDGET AND ACTUAL Year ended June 30, 2023

In accordance with the Code of Iowa, the Board of Trustees annually adopts a budget for all funds following required public notice and hearings. The annual budget may be amended during the year utilizing similar statutorily-prescribed procedures. The Health Center prepares its annual budget on a basis (budget basis) which differs from generally accepted accounting principles (GAAP basis). The major difference between budget and GAAP bases is that IPERS pension contributions are recorded on the budget basis, while IPERS pension income/expense and OPEB expense is recorded on the GAAP basis.

The following is a comparison of actual expenditures to budget:

	GAAP Basis	Budget Basis <u>Adjustments</u>	Budget Basis	County Hospital Budget
Amount to be raised by taxation	\$ 899,455	\$ –	\$ 899,455	\$ 876,180

Jefferson County Hospital d/b/a Jefferson County Health Center NOTES TO REQUIRED SUPPLEMENTARY INFORMATION – NET PENSION ASSET/LIABILITY Year ended June 30, 2023

CHANGES OF BENEFIT TERMS

There were no significant changes in benefit terms.

CHANGES OF ASSUMPTIONS

The 2022 valuation incorporated the following refinements after a quadrennial experience study:

- Changed mortality assumptions to the PubG-2010 mortality tables with mortality improvements modeled using Scale MP-2021.
- Adjusted retirement rates for Regular members.
- Lowered disability rates for Regular members.
- Adjusted termination rates for all membership groups.

The 2018 valuation implemented the following refinements as a result of a demographic assumption study dated June 28, 2018:

- Changed mortality assumptions to the RP-2014 mortality tables with mortality improvements modeled using Scale MP-2017.
- Adjusted retirement rates.
- Lowered disability rates.
- Adjusted the probability of a vested Regular member electing to receive a deferred benefit.
- Adjusted the merit component of the salary increase assumption.

The 2017 valuation implemented the following refinements as a result of an experience study dated March 24, 2017:

- Decreased in inflation assumption from 3.00% to 2.60%.
- Decreased the assumed rate of interest on member accounts from 3.75% to 3.50% per year.
- Decreased the discount rate from 7.50% to 7.00%.
- Decreased the wage growth assumption from 4.00% to 3.25%.
- Decreased the payroll growth assumption from 4.00% to 3.25%.

The 2014 valuation implemented the following refinements as a result of a quadrennial experience study:

- Decreased the inflation assumption from 3.25% to 3.00%.
- Decreased the assumed rate of interest on member accounts from 4.00% to 3.75% per year.
- Adjusted male mortality rates for retirees in the Regular membership group.
- Reduced retirement rates for sheriffs and deputies between the ages of 55 and 64.
- Moved from an open 30 year amortization period to a closed 30 year amortization period for the UAL beginning June 30, 2014. Each year thereafter, changes in the UAL from plan experience will be amortized on a separate closed 20 year period.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees Jefferson County Hospital d/b/a Jefferson County Health Center Fairfield, Iowa

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Jefferson County Hospital d/b/a Jefferson County Health Center, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Health Center's basic financial statements, and have issued our report thereon dated October 21, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Health Center's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Health Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Health Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Health Center's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Health Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Comments involving statutory and other legal matters about the Health Center's operations for the year ended June 30, 2023 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Health Center. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Health Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Health Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

DENMAN & COMPANY, LLP

West Des Moines, Iowa October 21, 2023

Jefferson County Hospital d/b/a Jefferson County Health Center SCHEDULE OF FINDINGS Year ended June 30, 2023

Part I—Findings Related to the Financial Statements

No matters regarding significant deficiencies, material weaknesses or instances of noncompliance relative to the financial statements were reported.

Part II—Findings Related to Required Statutory Reporting

23-II-A CERTIFIED BUDGET

Based on a comparison of actual operating expenses with County Hospital budgeted basis expenditures, it appears the Health Center did not exceed its budget for the year ended June 30, 2023.

23-II-B QUESTIONABLE EXPENDITURES

No questionable expenditures of Health Center funds were noted.

23-II-C TRAVEL EXPENSES

No expenditures of Health Center money for travel expenses of spouses of Health Center officials and/or employees were noted.

23-II-D BUSINESS TRANSACTIONS

No business transactions were found between the Health Center and Health Center officials and/or employees.

23-II-E BOARD MINUTES

No transactions were found that we believe should have been approved in the Board minutes but were not.

23-II-F DEPOSITS AND INVESTMENTS

We noted no instances of noncompliance with the deposit and investment provisions of Chapters 12B and 12C of the Code of Iowa and the Health Center's investment policy.

23-II-G RESTRICTED DONOR ACTIVITY

No transactions were noted between the Hospital, Hospital officials, Hospital employees and restricted donors not in compliance with Chapter 68B of the Code of Iowa.
